

# Viktoriakliniken – The Breast Surgery Course

[Mentor ES Lead & Prof Education Manager Maja Pavlek](#)

VICTORIA  
kliniken

## Content of ProfEd Offering

### Faculty

Dr. Charles Randquist, Dr. Marie Jaeger

### Clinical Solution

This interactive virtual event aims to improve and standardize the knowledge of safe breast surgical procedures, patient and clinic management in order to achieve natural, long lasting results. Plastic surgeons from all over the world will be able to join Dr. Randquist online and watch him plan, perform and explain live surgery. Furthermore he will give interactive lectures so all questions and concerns can be immediately addressed.

### Technical Solution

- MENTOR® CPG™ breast implants, MENTOR® CPX™ breast tissue expander

## Learning Objective

- Improve patient selection and communication
- Advance successful practice strategies
- Pre-operative planning
- Post-operative care

## Target Group – Early to Advanced learners

The ideal surgeon profile for this event are surgeons with 3 or more years in independent practice interested in learning best practices in performing breast surgery, refining their patient communication skills as well as building their reputation and expanding their practice.
